DUNN-RITE AUTO SALES, INC. & RANDY'S DUNN-RITE AUTOMOTIVE JOINS GOLDEN ADVANTAGE'S MERCHANT PROGRAM

Bank of Lancaster's Golden Advantage Club director Theresa Ransone states: "We are proud to announce that Dunn-Rite Auto Sales, Inc. and Randy's Dunn-Rite Automotive of Kilmarnock and Burgess are new members of our Merchant Sponsor Program with Golden Advantage. All Golden Advantage members receive exclusive discounts when visiting Dunn-Rite Auto Sales and Randy's Dunn-Rite Automotive by showing their membership card."

M'Lissa and Randy Dunn, owners of Dunn-Rite Auto Sales and Randy's Dunn-Rite Automotive have been providing complete service and repairs since 2001 and expanded to pre-owned vehicles in 2005. The Dunn's businesses are quality-driven and they stand behind every auto or truck that drives away from the lot. Each pre-owned car goes through a comprehensive performance review before being offered for sale and is provided with Car Fax and Kelly Blue Book information. Serviced cars and trucks are also processed with the same scrutiny. ASE certified mechanic/owner Randy Dunn, Sr. believes in a complete wellness check-up for all vehicles rolled into the garage whether for regular maintenance, inspection, or to fix a problem.

Still maintaining their automotive shop location on Rt. 200 in Burgess, they have recently expanded to a new showroom and shop at 405 North Main Street in Kilmarnock.
